Dear Parents and Carers,

Congratulations and thank you to the Band Committee for organising another wonderful weekend away for our Band students. From all accounts the students had a wonderful time and produced some amazing music under the direction of Mr Jason Isaac and the music tutors. Huge thanks to Mrs Kaye and Mrs Kapruziak and who stayed for the weekend to help look after the students, and to Kate O’Sullivan who organised the event. Many thanks to Mark and Sally Layson, Kirsten McCombie, Jodie Goldney, Scott Favelle, Mana Ittimani, Jen Ward, Angela McInerney, Lili Hervet, Emily Qereqeratabua, Max Walker, Amy Puah and Karen Andrews, who assisted with supervision and to the many parents who transported gear or organised for it to be picked up, especially Jill and Andrew Mitchell, Arianne Blanch and Louisa de Ferranti.

If we didn’t have the support from these very willing parents who gave up their valuable time, then a camp like this could not happen! The intense immersion in music like this sets up future success for our wonderful Band program.

School Holidays
At the end of this week we will break for two weeks holiday. Teachers will return on Monday 28th April for a Staff Development day, where they will learn about the new reporting to student’s procedures and review some curriculum sequences. Students return on Tuesday 29th April.

Wet Weather
We know how difficult it can be getting the kids to school on a wet morning! To help us to do this efficiently and safely we are asking that parents do not enter the buildings on wet days and instead drop their children off at the exterior doors. This alleviates clogging up the hallways and helps to get everyone inside quickly. Thank you.

Class Requirements money overdue
There are several families who have not yet paid their class requirements money. A reminder note was given last week to those who still owed. This money is important so that students can have access to the many requirements for school. Depending on the stage of your child it pays for Mathletics, gymnastics, exercise books, school magazines etc. We appreciate your quick response.

Gymnastics Classes
During Term 2 gymnastics classes will be held in the hall for all our stage 2 and 3 students. The program will run as part of our Physical Education syllabus. The teachers that come into the school provide specialist knowledge and equipment. The lessons look like lots of fun!

Opportunity Class Placement – Year 4
Parents seeking opportunity class placement for Year 5 entry in 2015 are required to submit an application by 16th May 2014. They will need to apply online by going to this website: www.schools.nsw.edu.au/ocplacement or collect a printed application form the school. Applications open on Monday 28th April. Late applications will not be accepted.

Around the School
Our new security fence is in the process of being installed and we expect it to be completed for the start of Term 2. The school will also have a new fence between the school and the church. Please keep your eye on the school during the holidays. If you notice anything unusual police contact Ashfield Police on 9797 4099 or contact the police on 000.

Peer Support Update
In the past few weeks in Peer Support the students have been learning about the different qualities that they all have. The students learnt about the importance of empathy and about talking about themselves in a positive way. Students have been practising speaking positively about themselves and when good things happen to them.

Carnival of the Codes
Students from years 2, 3 and 4 participated in the “Carnival of Codes” at Picken Oval on the 24 March. The day was organised by Canterbury Hurlstone Park RSL. The aim was to introduce the students to local sports that are played in winter in our area. From all accounts everyone had a great morning. Here are some reports from the students:

This morning I was going with my class to Picken Oval for the “Carnival of Codes”. We got there at 9am. When we got out of the bus Picken Oval was HUGE. The netball game was pretty easy. My favourite sport was rugby union. It was amazing because we all got to have a game. At the end of the game we had to go. It was an extraordinary and spectacular day.

By Sione 4M

This morning all of year 2, year 3 and year 4 went down to Picken Oval for the “Carnival of the Codes”. We all played different sports like netball, soccer, NRL, hockey and rugby union. It was so much fun. My favourite sport would have to be netball and soccer. With netball we played a netball game and that was extremely fun. With soccer it was girls vs boys to see who could score a goal, that was great as well. The “Carnival of Codes” was absolutely amazing. I had the time of my life.

Big sparkling blue waves crashing
onto the soft yellow sand.
The rough dark blue waves are strong.
The cold enormous waves sound so peaceful.

School Magazine Writing Competition

6/SS students have been writing about the day a dragon came to visit for a ‘School Magazine’ competition (100 word limit).
Here is a selection of entries for you to enjoy.

Jonathon: It was on Friday last week when I first met my dragon. His body was covered in purple, armoured scales and his emerald eyes blazed as I looked at them. “Go away and leave my dwelling cave, before I decide that it’s barbecued human for dinner tonight, young man, for my children are hungry for your flesh,” said the dragon in a rich, growling voice, and without a word I turned and ran for my life. I have never been to that valley again, but those deep, emerald eyes still torment my sleep each night and will for ever more.

Zoe: Eliza Meadowsweet, princess of the Island, dangled her long, blonde hair over the window ledge of the tower, hoping that someone would see it. “I know they won’t see it,” thought Eliza, “The wall is too high.” This was sad but true. The wall around the castle was just too high.

When she thought that, she heard a noise. She looked down. Wasn't a servant! She looked up. Nothing. “Must have been my imagination,” thought Eliza. Or was it? A large, golden creature emerged from the clouds. “Wow!” said Eliza, “Is it—”

“Yes,” said the golden creature, “I am a dragon.”

Cara: I was just walking along when I saw the dragon. It was raining, but as I looked at the sky, I saw a large shape falling. It was a dragon! The rain was burning him! After a while of pushing and shoving I got him under a tree. He told me his name was Gorel and he was a magma dragon from a volcano in New Zealand. He needed to stay at my house for a day to get out of the rain. He ate a lot and was noisy in the night, but he was really fun to meet.

Ben: Images floating round and round. The king’s proud kingdom standing tall and proud. A boy visits in his dream. A very scaly form is he. The king won’t listen to my wish. As I train him to perfection. The insolent guards just will not believe in me. As a scaly beast is me. I will fix these strange pink things. As the king starts to rest I smack him, slap him to success. As he weeps I realise. These pink weird things are harmless. I forgive them one by one and say goodnight. The boy wakes from his longest night.

Nicholas K: Locklan the village librarian had a glistening dragon named Draco. Draco had never been outside because whenever he saw someone he would fireball them. One day Locklan decided that Draco had to go outside for once in his life. So they started to walk across the pathway to the village park. But a massive meteor crashed on Draco and he had to go up the dangerous mountain to get to the hospital so Locklan started to climb, slowly but surely. They made it up the mountain but in a really bad way because he was poisoned! The hospital saved Draco!

Jacob: It started at Bondi Beach. I was snorkelling. He was huge! He was under the water. Then he opened his eyes and started flying. His name’s Frank and he is a dragon. He loves AFL, cricket and surfing. He drives a Bugatti. He holds the record for the Dragon Olympics 100 metres in 7.87 seconds!! After our talk we kicked the footy and played cricket. Frank got 1143 runs! He also came first three years in a row in the Dragon iron man series. Frank is such a cool dude. We had the best day ever together.
Anastasia: One sunny day in the UK a young girl called Victoria lived in a castle with her mother. Victoria heard sounds coming from the door. She thought it was her mum opening the door to get the mail. Victoria went to look and she saw a dragon at the door. She couldn’t believe it. Victoria shouted to her mum. Her mum came running and saw what it was. She fainted. The dragon was fastidious. She was very skinny and looked pretty. The dragon said, “Hi what’s your name” Victoria said, “Why are you here”.

Dylan: I was sleeping at 6:00 am and heard a knock at my door. I got up and went to answer. ‘Who would be up now?’ I thought. I opened the door and there stood an evil, black dragon with worn out wings. It asked if it could come inside because it said it got kicked out of its home by “the miners”. I didn’t want a dragon in my house but I let it in because I felt sorry for it. It asked if I had any apples. Why would it want apples? I gave it some anyway and it was satisfied.

Yuki: Pat, pat, pat. Rain pours through the cave. I have nothing to do and huddle up, trying to keep warm. Hours passed but the rain doesn’t stop. I daydream and remember the dragon.

It was a magnificent creature, white as snow, with wings that spread four meters. The eyes were grey, as if they were storming. The tail swept away the trees and the wings blew away the dirt. Talons as sharp and strong as titanium left an unforgettable ‘X’ on the cave wall. But then it left. No trace left that it was there, except for the carving.

Mary: It was a peaceful day as I ran towards our school. It was the first day of school, and I couldn’t be late! I was allocated to a class, and I sighed, because of none of my friends were there. I sat on a chair and beside me was an enormous boy who looked bizarre. Something was suspicious, so I followed him. A mist covered my eyesight. After about two minutes, a castle blocked my way. A dragon was beside it. I talked to him about the boy I saw. We soon became friends, and I kept it as a secret.

Riley: Once upon a time there lived two boys named Timmy & Joey. Timmy and Joey were off to school. “Hello Joey,” said Timmy. “Hello Timmy,” said Joey. “So who do you want to play with today?” said Timmy. “Max?” said Joey “Ok” said Timmy. Suddenly they heard a roar. “What was that?” said Joey. “I don’t know let’s find out!” said Timmy. They went behind their classroom. They saw a dragon! “Oh no! A dragon!” said Timmy & Joey. “Don’t scream I’m nice.” “Why are you here?” said Joey. “I smelt flowers!”

Angela: ‘Beep, beep’ the alarm calls. I wake up tired and yawning as the wooden framed, rickety bed is very uncomfortable. As I step out of bed to get dressed for school, mum said we might move out of our small village. The village was surrounded by vivid green trees and a waterfall that smashed down to the little lake. Not believing my eyes a dragon swoops down. It had fire eyes. Suddenly it landed on a single pebble. I then realised it had lots of neatly packed together teeth all glinting in the sunlight. The coal black scales covered the dragon. With no help at all I come face to face with it. Will I survive? Did I then just discover that it did no harm. Suddenly its wings turned red and its duck like feet had turned to the size of a piece of paper.

Malena: Once upon in The Kingdom of Princeton, there was a human village and in it there was a girl named Victoria. It was very cold and windy and Victoria was raised with poverty. She was very troubled and didn’t seem to go very far in her life. One day, she decided to creep into the Dragon free FOREST! She knew there would be scary creatures but, she stood tall, took a deep breath and marched like a solider through that forest. After all the obstacles she went through, she reached a cave with a dragon in it. She never returned.
Mira: I sit on the window sill; the breeze makes my hair stand on end. Suddenly I hear a noise below me, I climb slowly down the castle wall. Again, I hear the noise but I can’t see anything. Then something emerged from the trees, a huge, scaly creature with enormous bat like wing. I look up at the creature’s bright yellow eye and I knew it was a dragon. “Come” said the dragon “Ride me”. I climbed on to the dragon’s back and the dragon took me away, away to places too beautiful to describe - a place where dragons lived.

Franco: At a small village in London there was two young boys called Anthony and Zach. Today was their birthday so they were farming vegetables for their special day. But sadly no one came, which made them sad. Suddenly, a strange voice was heard from the garage door. “What’s that?!” said Anthony. “I don’t know, let’s find out!” “Okay,” replied Zach. Then there was a “HISSSSSSS”. “Oh no!” said Anthony. Suddenly dragon came flying at the boys. “Oh no! A DRAGON!!” said Zach in fright. “Don’t worry I’m a very friendly dragon.”

Autumn Harvest Festival
On Sunday 30th of March, the Ashbury Community Garden hosted the ‘Autumn Harvest Festival’. Thanks to the Ashbury Public School Jazz Band, Ashbury All Stars Senior Choir, Ashfield Little Big Band and Newtown High School of the Performing Arts Jazz Orchestra for their fantastic performances on the day. Guests enjoyed music and afternoon tea and were able to purchase garden produce and preserves. We held an inaugural scone baking competition, which was judged by Kitchen Garden workshop facilitator Jo Anne Calabria and Julian and Anthony from Excelsior Jones Cafe. Congratulations to Mila in 2/1F and Sharon Wyllie on their winning scone entries! Thanks to all the Community Garden Committee members for their planning and assistance, as well as all other parents and staff who contributed to the success of the event. See you in Spring at Jazz in the Garden!

6/5S completed a mosaic for Harmony Day, with the theme being "we're all different but we all fit in and belong". 
Kitchen Garden Workshops
Thanks to the Ashbury Community Garden Management Committee for helping to fund the Stage 2 Kitchen Garden Workshops that were held by food expert Jo Anne Calabria last week. Thanks also to all the parents and caregivers who volunteered their time to support the workshops. Students learnt about heat through food exploration. Classes prepared dishes in groups using produce including herbs from the garden and then shared their dishes with one another.
Stage 2 Drama

Saturday drama classes in the hall at Ashbury Public School are now offered to all Stage 2 and all Stage 3 students. Until now the Stage Stuff classes had been offered only to Stage 3 and Year 4 students. However, a number of parents of Year 3 students have asked about the possible inclusion of their children. I am delighted to be able to accommodate any Year 3 students who want to join Stage Stuff. The classes start on May 3, the first Saturday of the second term. Please email me at davidbaldwin@aapt.net.au I need student’s name, which class he/she is in at Ashbury plus email and mobile phone details. (There is a limit on class numbers. If you are interested, please email me as soon as possible.) The Stage 2 sessions will start at 12.30pm and will run for ‘a good hour.’ The fee is $20 a session. Stage Stuff aims to run throughout the year in term time, not in school holidays.

Lost Property

We have had a number of lost items handed in to the office over the last few weeks, including a digital camera, ipod, recorder, umbrella and more. If any of these items belong to you please come up to the office and identify them as yours.

All other lost property is located outside 2M’s room, the first classroom downstairs. Historically we have had an enormous amount of lost property. Please ensure that all property is clearly labelled with your child’s name and new class. This ensures a speedy return of property.

Road Safety

Please take extra care when driving and parking in our school zone. Ensure that you understand the road rules and that your child understands how to behave safely around school zones. Please be a good role model for your child’s pedestrian and future driving behaviour. A note went home last week to all students reinforcing important road rules, road signs and detailing safety tips for drivers in school zones. Please take a few minutes to read this important information.
Tuning Notes
Ashbury Public School Band Newsletter

Issue 50. Term 1 2014

“Life seems to go on without effort when I am filled with music.”
— George Eliot, *The Mill on the Floss*

**Keep up to date**

Dear all, welcome to Tuning notes. Was great to see so many new faces at our recent committee meeting, thanks to those of you who were able to make that effort. For those of you who couldn’t make it, minutes of the last band meeting, or any lost forms, can be downloaded from our website [http://www.ashbury-p.schools.nsw.edu.au/bandelcome](http://www.ashbury-p.schools.nsw.edu.au/bandelcome). The next band meeting, which is our AGM, is this coming Monday night, 7:00 in the staff room. We will also hold an extraordinary meeting following to discuss fundraising for this year, and instrument hire. Would be great to see you there.

**SPECIAL THANKS TO OUR TREASURER MARIA**

The band community would like to say a special thanks to Maria for her work in creating the new coded payment system. Parents have been diligently entering their codes, allowing increased ease of processing who has paid, and for what. Thanks also to George Chedra for your work leading up to this point, and Jo Cory for providing advice re all things finance! If you see any of these people in and around the school, and feel so inspired, they deserve a hug! Or if you are of a more pragmatic bent, how about a bottle of good champers.
JAZZ IN THE GARDEN

The Community Garden fund raiser, ‘Jazz in the Garden’ was held last Sunday. Was a fabulous fusion of school committees, music, and community. The APS Jazz band saw it’s first performance as the class of 2014, complete with a large number of new members. It was fabulous! Lots of kids pulled out their first jazz solos too! Well done to those children who took this step, it’s quite something to stand up in front of a very large crowd of people, and both perform, and think musically on the spot. We were also treated to a four-bar musical ‘joust’ between some of our trombone players. Our jazz band was joined by the Ashbury Little Big Band, and Newtown Performing Arts High School Band. This diversity of musical skill sets, allowed our younger players to hear first hand, the where to of their possible music development. There were also lots of yummy scones and cakes! Special thanks to Michael Eckert for videoing this event, ready for the audition treadmill.

BAND CAMP

Band camp is on this weekend! Please arrive at the venue by 8:00AM ready to register, and make music. Please ensure you have doubled checked the what to pack list, distributed via email earlier this week. Please make sure that you bring instruments, music, pencil, rubber, and if necessary a trolley to move instruments around the venue. Once again, we would all like to say a huge thank you to Kate O’Sullivan for her generosity in sharing her many and varied skills necessary for the organisation of this event. Band camp is one of the highlights of our music program, allowing intensive workshopping of pieces, and development of both ensemble, and interpretation. The word is out too, that Mr Isaacs will be staying overnite...so here’s hoping for the
2014 rendition of “Baby Shark”!

**VOLUNTEER NEEDED-ASSISTANT CHAIR POSITION:**
Thanks to those people who have put their hand up to take on varying roles for our great band program—these will all be announced formally in the next tuning notes, following our AGM. However, we are still in desperate need for a volunteer to take on the assistant chair role, with a view to taking over the Chair position in 2015/16. The band program is only able to continue because of the incredible generosity, and diverse skill set of our volunteers. If you are able to help out in this role, or know someone who would be open to the idea, please contact Jodie on jgoldn01@gmail.com, and come to the AGM on Monday night. Please note that this role is not onerous, rather a preparation for the more involved role of chairperson. Our aim is to ensure a smooth transition from assistant chair, to chair, by ensuring the outgoing chair is around to provide advice and assistance. Again, we really need someone to step up to this position with consideration for the ongoingness of the band program.

**STATE MUSIC CAMP**
State music camp applications are open for 2014. This musical experience targets students from year 5 upwards. The junior music camp (years 5-8) will be held from 13-15 July, 2014, at the Sydney Academy of Sport, Wakehurst Parkway, Narrabeen. (Office of Communities, Sport & Recreation). If your child is interested in attending, please refer to the Arts Unit website [https://www.artsunit.nsw.edu.au/music/music-camps/state-music-camps](https://www.artsunit.nsw.edu.au/music/music-camps/state-music-camps).

**TRAINING BAND**
No rehearsal for training band Thursday 10th April.
HOUSEKEEPING:
Please note that if your child is unable to attend their music (instrumental) lesson, then you need to contact their instrument teacher directly; you do not need to advise the school. If your child is unable to attend a band or ensemble rehearsal, then you need to contact the school to advise them, and they will pass the message on to Mr Isaacs. This is especially important for children in bands immediately after school.

REMINDER RE. PARENTAL SUPERVISION
A special reminder that as part of the band program, and in keeping with duty of care requirements by the DEC for activities occurring on their lands, a parent, or responsible adult is required to be in attendance at all student’s instrumental lessons.

PUNCTUALITY
Please respect our volunteers who give up their time to supervise band rehearsal by being punctual in collecting your child.

Bringing Up Great Kids for Parents/Carers
Mondays, 10:00am-12.30pm
28 April - June 2, 2014 (6 weeks)
Course cost: FREE
Free child-minding
Facilitators: Eithne Stack (Psychologist/Family Therapist)
Felicity Mehan (Clinical Nurse Consultant) - SLHD

The “Bringing up great Kids” program uses ideas of mindfulness and reflection to support parents to review and enhance their interaction and connection with their children.

Through the program parents of 0-10yr olds will explore:
- The origin of their own parenting style
- Important messages that children communicate to their parents and how they do this;
- The importance of building self-esteem in children
- Ways for carers/parents to take care of themselves and to find support when they need it

For more information or to register contact:

Course cost: FREE
Free child-minding
Facilitators: Freda Botica (Family Support Worker)
Ann Vlotis (Family Support Worker) and
(Inner West Family Connect/Metro MRC)

This 6 week course will allow parents & carers of 2-8 year olds to explore how to:
- Talk with and understand your child
- Help your child learn to manage their emotions
- Help your child deal with conflict
- Help your child develop emotional intelligence

For more information and to register contact:

Stepping Up
Creative Wellness Workshops for Women/ Art Therapy Workshop
Fridays, 10am—12pm
2nd May - June 7, 2014 (6 weeks)
Total cost for course $50 (negotiable)
Child minding $5 per session
Facilitator: Pensri Rowe (Art Therapist)

The group will explore the connections we have to our own creativity. No previous artistic experience is required. It is more about the process and what we can learn about ourselves through our art making, than being artistic or needing to make a pretty picture.

In the group we will use painting, drawing, collage and clay to explore our inner life. The process encourages mindfulness, and helps develop more clarity and confidence in understanding who we are and how we experience the world.

It is an opportunity to connect with others through sharing and enjoying the art making process.
